Pool Construction

Project Completed

The construction is complete and many thanks to Frank Shirley who coordinated and supervised the work. It looks great and will be a huge asset to the Neighborhood.

The Pool will open later in May. Swim Atlanta has rented it for the first couple of weekends for Lifeguard certification. We will post a sign up front when it opens and keys are available.

We still have a few odds and end to take care of and could use some volunteer help in May.

May Clean-up Day

Saturday, May 7, 9:00am – Noon To cut costs – we need some volunteer help with several projects around the Clubhouse, pool and playground. Please come and help!

Graduate Recognition

If you have a graduate in your household – we would like to recognize them. Please call Jackie McWhorter – 770-427-0288 with names by May 15. Thanks

Building a Neighborly - Watch

To develop a safer and friendlier neighborhood we invite and encourage you to:

1. Take time to **get acquainted** with your neighbors. Visit those on either side and across the street and develop a social and servicing friendship.
2. Enjoy **walking and exercising** around the neighborhood
3. Don't hesitate to notify the authorities if you see **anything** suspicious. Please call - Precinct 1 at 770-499-4181.

Safety and Covenant Reminders

Please observe **all** stop signs. There have been several near accidents on Mahonia Way. Please **STOP** and slow down throughout the neighborhood.

We hope you noticed that **Taurus Landscape** is doing an exceptional job for us up front and around the Club House. It looks great and what a benefit to the neighborhood. Let's all keep our yards nice – keeping grass cut and curbs clean.

If you have any questions about covenants please contact Donna Thomas 770-528-3577. She will head the committee for the Board
