Secretary	Alisha Terry	770-627-4896
Treasurer	Tom Settle	770-590-1933
Member at Large	Scott Kingsley	770-919-8133

Clubhouse Rental

Rental Fee for members - \$50 +150 Deposit
Contact Lisa Shirley at 770-425-4060

Tennis -

The Fall season is about to begin.

Team Captains are:

Sam Stockard – 404-661-2499

Heather Ellington – 678-778-6162

If you have future interest in playing please contact them.

Welcome – Move ins

We would like to introduce to you John and Kiera Rain. John works for movie production companies in GA and is also a mechanic. Kiera owns 'Rains Services' – an organizing and decorating company and is a career volunteer. They reside at 4630 Abelia Ct. and are anxious to get involved with the neighborhood.

YOUR HELP NEEDED!

The economy is taking its toll. There are several homes in the neighborhood awaiting foreclosure. Until the bank reclaims homes the yards may be un-kept. If you are aware of such circumstances, it would be greatly appreciated if as neighboring owners would please help with up-keep by mowing the properties front yards until the bank transfer occurs. This will keep our neighborhood looking GREAT and help with future values and sales.

Also – Please be mindful of Cobb County ordinances and honor them. They apply to ALL residences. If you need of a copy of them or the covenants you can call Pete Vanness (770-421-8696) or view and print them off our website.

<http://www.greens-crossing.org/>

We are still having complaints about unwanted 'dog poop' found in yards. Please make the effort to clean up after your own animals. Thanks

Sept. 18 Yard Sale

Cobb County Ordinances limits yard sales to 3 per year. (That is per household) But to maximize efforts, we would like to coordinate a neighborhood yard sale. This could eliminate multiple signs up front every week as well as provide a organized effort to bring more buyers into the neighborhood at one time. If you are interested please call Kiera Rains 768-756-5323. She will help with advertizing. Thanks

Special Project Information

As construction around the pool is nearing completion, the Board recommends to complete remaining pool repairs and upgrades - which include coping stones, waterline tiles and the pool liner. It is proposed to initiate a special assessment of up to \$150 to cover costs. Open discuss and approval will be at our next general meeting sometime in November.
