## General Meeting

If you have a storm drain between your property and the street, please keep it clear of leaves and other debris to allow storm drains to function and not become clogged when we do receive rainfall.

### Luminaries – December 24

We are still planning on doing the luminaries this year unless Cobb County is still under a water restriction (fire hazard). David Miller and Jerry Neimeyer will be heading this up. If you would like to help out, please contact any member of the Board.

Welcome new neighbors to our subdivision. We hope you find this a great place to live, work and play. If you have not received a welcome packet, please contact Randy Cail or any member of the Board.

We would like to thank many of the homeowners in the subdivision in maintaining the upkeep of their homes and yards. A large number of homeowners have painted their homes, cleaned out gutters and curbs, trimmed shrubs and cleared off driveways. We encourage everyone to please do your part in maintaining your yard and home to keep our subdivision looking great!
