Special Project Information

General Meeting on Tuesday January 11th

In assessing our need to complete some major repairs and improvements to our facilities, the board has proposed a special assessment for the coming year. The assessment should help cover the following projects and help re-build the savings buffer we once had.

Projects would include:

Swimming Pool repairs -

Replace coping stones

Resurface deteriorating pool lining

Replace waterline tiles.

Parking lot –

Fill in cracks and replace deteriorating sections

Recoat and stripe.

Finish landscaping in drainage area.

Begin saving again for Tennis court improvements.

The assessment could range from \$150-200. The proposed assessment and budget will be discussed and voted on in this meeting and your attendance would be appreciated.

We will also hold elections for 1-2 board positions. Please be willing to step up and serve.

(Thanks to Mike Riddell for printing services)

Enjoy Thanksgiving and family gatherings. We hope the weather will cooperate this year as we gear up to look host our Christmas luminaries. (Pete will contact you.)
